SLAT BAY 67" × 81"

This technical drawing shows a slat bay with a central label indicating its dimensions as 67" x 81". The drawing includes a 2" dimension on the left side and a dashed vertical line running through the center of the bay.

85" LENGTH

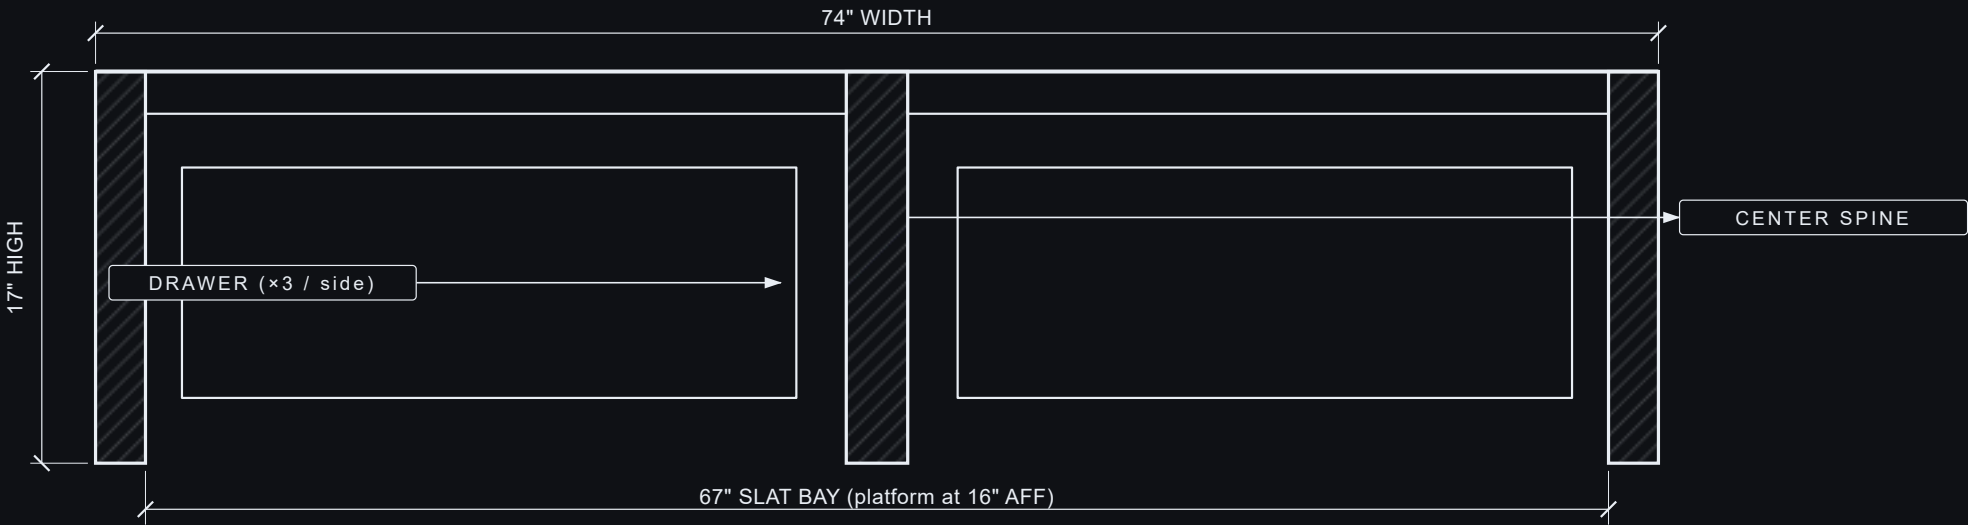

Technical drawing of a rectangular plate. The plate is divided into two equal halves by a vertical dashed line. The width of the plate is 17 inches, and the height is 17 inches. Two small circles are located at the bottom corners of the plate.
