

BF-S03 — FOOTBOARD / TV-LIFT CABINET — ORTHOGRAPHIC ASSEMBLY (FRONT · SIDE SECTION A-A · TOP PLAN · CUBBY DETAIL)

Solid-ash heirloom footboard — bolt-on module — 74 W × 41 H × 16 D in — Touchstone Whisper Lift II PRO 23401 + flat-top ash-faced lightweight lid — 55" TV + Bravia Bar 9 soundbar co-move — framed-tray deck over an EMPTY open AV cubby.

DEPTH 12→16: interior 14.25 ≥ 13.45 req (soundbar-forward 7+1.5+4.45 = 12.95 + 0.5 tol), margin 0.80. Up-firing clearance = Sanus FORWARD offset (3.60"/91.5 mm), NOT a vertical drop or scabbard. Scales noted per view — DO NOT SCALE, read dimensions.

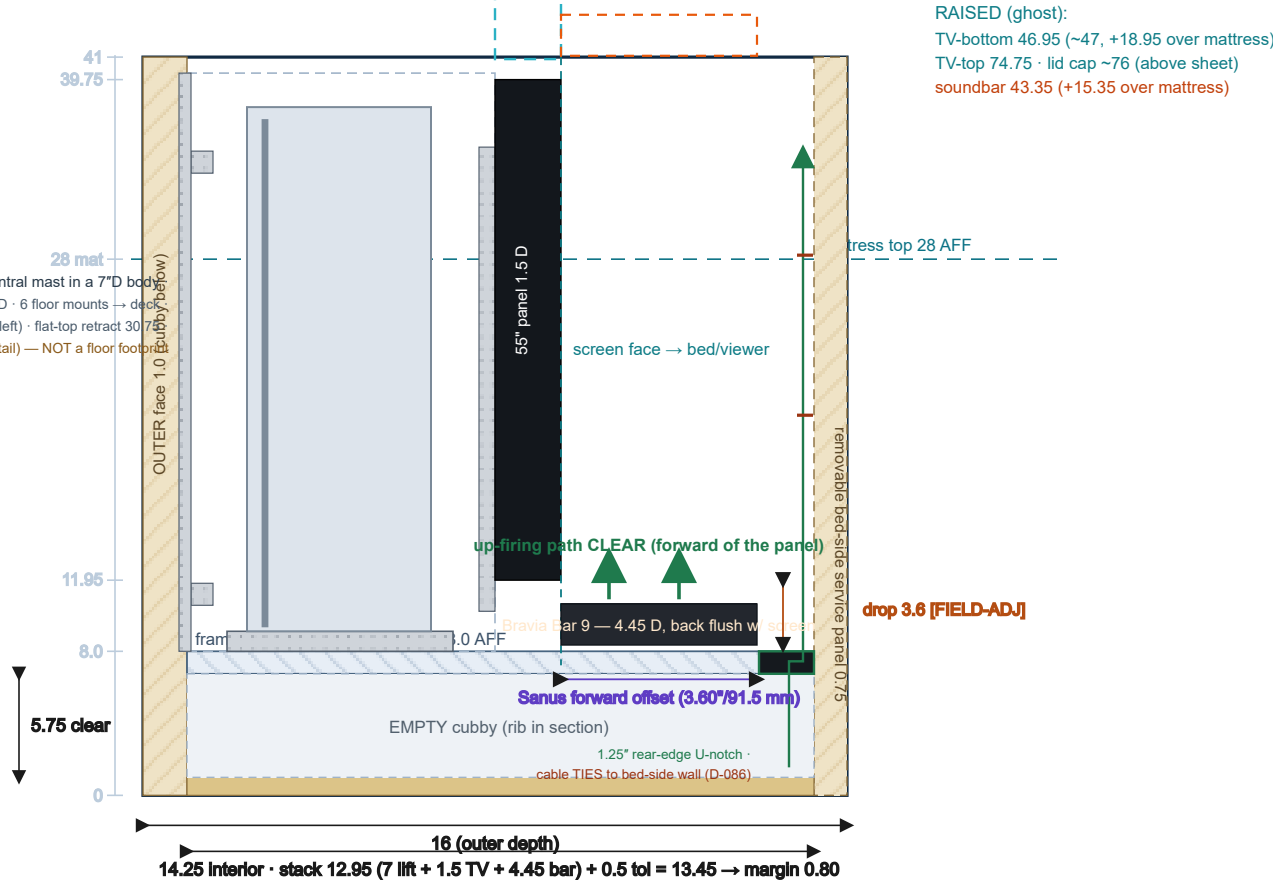

1 · FRONT ELEVATION — OUTER / FOOT-END FACE (1 in = 9 px)

The visible heirloom face: solid above, three EMPTY cubby openings below. Lift shown HIDDEN (dashed) behind the face.

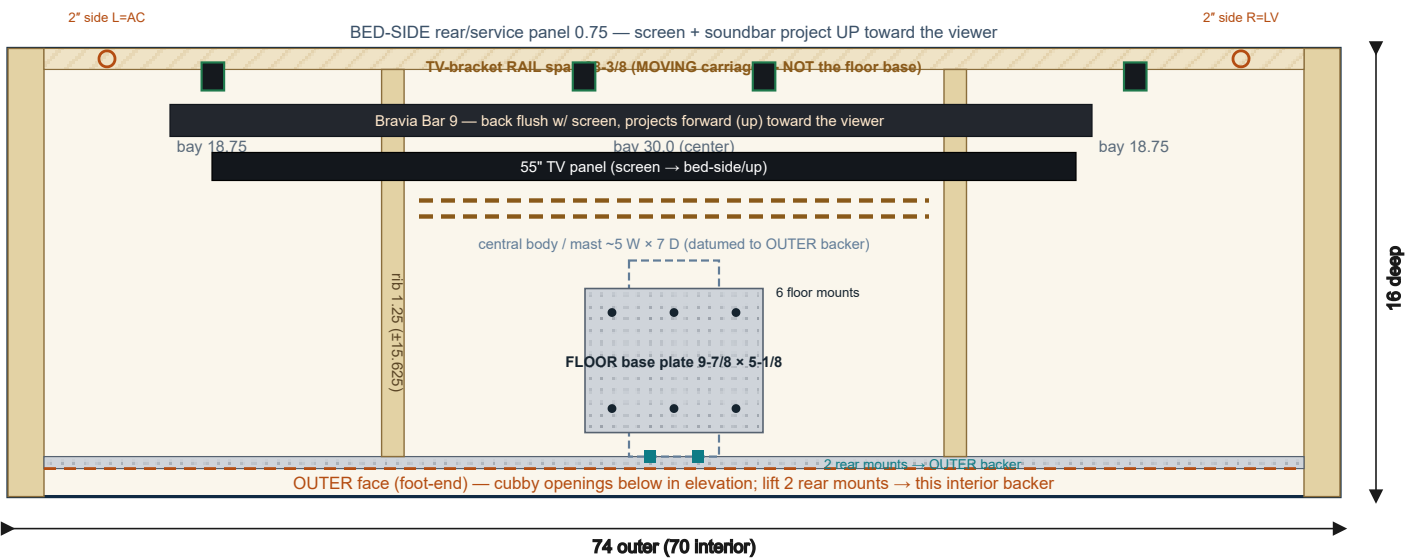

2 · SIDE SECTION A-A (heights 1 in = 9 px true · depth 1 in = 22 px, exaggerated)

FOOT-END/OUTER = left (cubby + face) · BED-SIDE = right (screen + soundbar).

3 · TOP PLAN (1 in = 9 px width · depth 1 in = 14 px, exaggerated)

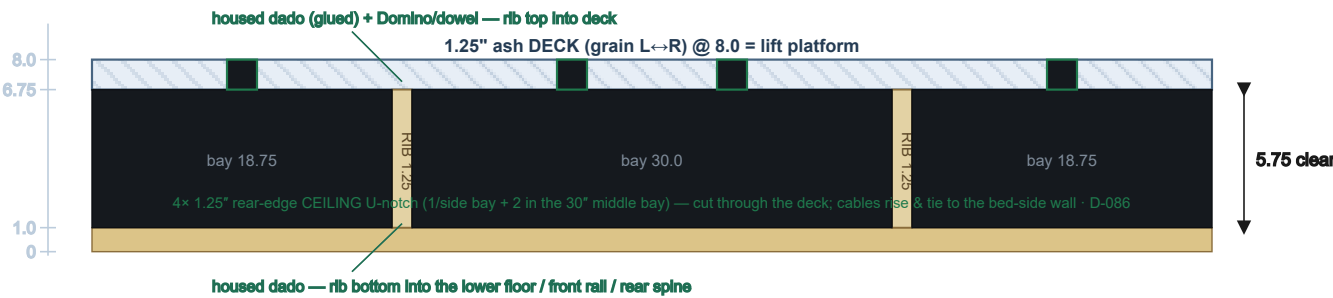

BED-SIDE/VIEWER = top (screen + soundbar project up). FOOT-END/OUTER = bottom (cubby + visible face). Lift centered L-R, rear mounts datumed to the OUTER backer.

4 · CUBBY CONSTRUCTION DETAIL (framed tray — section, 1 in = 12 px)

Three empty bays on two ribs; flat floor + flat deck-underside ceiling; 4× 1.25" rear-edge ceiling U-notches (1/side bay + 2 in the middle bay) + 2" side pass-throughs; housed-dado joinery; lift platform

widths compressed to 1 in = 8 px to fit the 70 in interior; heights true 1 in = 12 px

Fastener doctrine & load path (D-067 / D-068)

Lift fasteners = machine screws into STEEL BACKERS / cross-dowels / barrel-nuts / captured plates ONLY — NO wood screws into ash as gravity support.

8 mounts: 6 floor → deck + 2 rear → OUTER backer; threaded fasteners clamp + resist uplift/tracking, gravity carried in bearing.

Load path: lift base → deck → ribs + rails → lower deck / side frame → cross-dowel base tie → grounded base.

PART / CODE	Footboard — BF-S03
STATUS	CURRENT · 2026-06-03
DATE / SHEET	2026-06-03 · 1 of 1
MODEL	BF-M01 (interactive)
